Elsinore, Calif.  
Thurs. A. M.

Dearest Mother, etc

Arrived here after a dozen stops  
about 5:30, and finally settled  
in a cute little court house #4  
Hohman's Court, on the main  
street of the city. There are 9  
courts. Ours faces the south, the  
second from the street, nice lawn  
in front. So if you come up, here  
is a full description, except the  
house is grey, & has a tiny screen  
~~porch~~ (front) where dad Harris sleeps.

Mrs. M. says thanks for fruit &  
I say lots of thanks for cup cakes &  
I guess Bertha does too from the way  
she's eating them. Can't you come  
up Sun.? It isn't a very long drive.  
The sulphur will do you good. Please.  
If some one will come up for me Sun.  
I'll come home. Everytime I think of me  
coming up here & leaving you home  
with all that fruit & etc I could  
kick myself all the way home. Your  
the one that should be here. Love, Dad
